

As part of the provincial mental health services continuum, **BC Mental Health & Addiction Services** provides a diverse range of specialized, "one-of-a-kind" tertiary level mental health services to residents across all geographic areas in BC. These include Adult/Geriatric and Neuropsychiatry Services located at Riverview Hospital, Adult Forensic Psychiatric Services located at the Forensic Psychiatric Hospital plus six regional clinics, and Child and Youth Mental Health Services located at BC Children's Hospital. In addition to direct services, BC Mental Health & Addiction Services acts as a support and resource to service providers across the province, and contributes to research and education.

BC Mental Health & Addiction Services is an agency of the **Provincial Health Services Authority (PHSA)**, which plans, manages and evaluates selected specialty and province-wide health care services across BC. The Provincial Health Services Authority (PHSA) embodies values that reflect a commitment to excellence. These include: Patients first • Best value • Results matter • Improvements through knowledge • Open to possibilities. These dynamic roles are ideal for accomplished psychologists who exude both professionalism and compassion.

Licensed Psychologist 6A

Forensic Psychiatric Service Commission, Forensic Psychiatric Hospital and/or Surrey Regional Clinic
Regular Full-time

Under the general direction of the Senior Manager, Regional Clinics and at the direction of the Director, Clinical Services, and consistent with the Ethics and Standards of the College of Psychologists of British Columbia and the policies, standards and practices of the Forensic Psychiatric Services Commission (FPSC) and the Provincial Health Services Authority (PHSA) this position requires: in-depth knowledge of psychology including developmental theories, family and social dynamics, treatment and behaviour management modalities and psychological testing and interpretation; the ability to prepare comprehensive written assessment for the Courts and referral agencies; in-depth knowledge of the justice system, complex legal issues and other forensic matters; in-depth knowledge of relevant legislation; sound knowledge of the service delivery system for offenders and their families at the local and regional and provincial level; and the ability to testify in the court as an expert witness.

You must possess current registration with the College of Psychologists of BC as a Clinical Psychologist (or eligibility for registration will be considered), while with a Doctorate in Psychology is preferred, with specific training in the field of Clinical Psychology. Post-graduate training in the field of Forensic Psychology is also desirable. The knowledge, skills and ability required for this position are consistent with a Licensed Clinical Psychologist and 3 years experience in clinical psychology, with experience in forensic psychology preferred.

A Criminal Record Check is required. An eligibility list may be established. Travel will be required and you will need your own vehicle.

We invite you to apply online for this position at <http://careers.phsa.ca>

Applications will be accepted until the position has been filled.
